POLICE RUDELY DISTURB DREAMS

Would-be Jack Harkaways Taken in Custody This Morning.

WERE NEARLY FROZEN

Left Home For Wild Western Scenes —Had One Bicycle—Parents Come And Take Boys.

Visions of a trip through the Sunny South to Mexico, service in the Constitutionalist army under General Carranza, promotions from water boys to chief of scouts of the rebel army, a seat in the Mex... senoritas with ... dashing charros ... bull fights, chil... aguardiente, wh... locked in the br... ington lads, w... this morning b... lice force, who ... youngsters, half ... in the open and ... cell in police st... from their pare...

A night on ... andria and an hour in a well ventilated cell seemed worse to them than the dire punishment of President Huerta, who is longing to get his cruel talons on any American boys who dare to join the forces of the blood thirsty rebels.

The three boys who belong to excellent families in Washington are Derel Van Croft, 15 years old, of 1872 Monroe St. N. W., Morris Johnson, (15 years old, of 1462 Oak street, N. W., and Raymond Hall of 1832 Park Road N. W. For some time they have been planning to leave home for the wilds of Mexico, and yesterday afternoon at six o'clock started on their long trip. Hall had a bicycle, and the three lads took turns about riding on the wheel. It required over two hours to make the trip to Alexandria over the roads and arriving here the boys went to the Union Station where they expected to secure passage on a fast mail train until they were put off. They were unsuccessful in this as they were not familiar with the tricks of the old traveler and were not permitted to board a train. At twelve o'clock they gave up the idea of going South and went to the small shed of the Washington-Virginia Railway Company where they spent the night.

This morning, sore, tired, cold and hungry they started out to sell the bicycle so that they could get some breakfast. Approaching a colored boy they offered to sell the wheel for $1.75. He agreed to take it provided he would be permitted to carry the bicycle to the police station and find out if it had been stolen. When he brought the machine there orders were sent out to find the boys and they were soon in custody. The Washington authorities were notified.

The boys seemed very repentent while in the cell and declared that if they ever got back home they would never leave again.

The parents of the youths came here today and took them to Washington.

ALLEN DAMAGE SUIT UP.

Families of Hillsville Court Victims Ask $10,000 Each.

Wytheville Va., Nov. 7. — Judge Walter R.Staples,of Roanoke,came to Wytheville yesterday morning to hear a motion by Attorney Francis Cocke, of Roanoke, committee for Sidna Allen, who is serving a 35-year term in the Virginia penitentiary for aiding in shooting up the Hillsville court to quash the attachments by the administrators of Judge Massie, Sheriff Webb and Commonwealth's Attorney Foster who are each suing Sidna Allen for $10,000 damages

If Judge Staples should quash the attachments the deeds of trusts given by Sidna Allen to his attorneys will take precedence If he sustains the attachments which are against all of Allen's real estate and personal property amounting to $30,000 or $40,000, the damage suits by the administrators of the dead court officials will come up for trial on their merits.

NEWS OF THE DAY.

John G. Ford, the negro who was arrested Wednesday night, charged with assaulting Miss Edith Howson, 1231 Massachusetts avenue, southeast Washington, was convicted in police court yesterday, and sentenced by Judge Pugh to serve six months in jail. Miss Howson testified she was returning to her home about 10 o'clock, when the negro confronted her, and seized her arm. She wrenched her arm from his grasp, but was unable to reach her home, she said, because the negro was between her and the door. Ford admitted that he had been in front of the house at the time of the assault, but denied that he caught Miss Howson by the arm.

Miss Zelie Emerson, the American suffragist, who has allied herself with the British militants, was under the care of a member of the home office medical staff in London yesterday as the result of a beating which she received at the hands of the police Wednesday night during a riot at Bow Baths, in the East End. Miss Emerson led a squad of militants against the police who were trying to arrest Sylvia Pankhurst, and in the fighting many were bruised. However, before the meeting was broken up, Miss Pankhurst presented the foundation plans for the formation of an army to fight for woman suffrage. Arms to be purchased and the troops are to be drilled by Capt. Francis Vane, a Boer war veteran. Part of the lecture money secured in the United States by Mrs. Pankhurst will be used to pay the soldiers.

Alice and Carl Jacobson, brother and sister, of London, Ontario, lost to each other soince childhood,yesterday learned their true relationship after a courtship which was about to result in marriage. The young woman in writing to her parents inclosed a picture of Carl and told of her engagement. The parents were of the opinion that it was the long lost son, and an investigation revealed the fact that the engaged couple were brother and sister.

The ringleaders of the abortive plot recently discovered against the reigning Ameer of Afghanistan, Habibullah Khahn, were executed yesterday at Kabul, the Afghanistan capital. The conspirators were blown from the mouths of cannons.

Kept alive for days by her intense interest in the campaign of her husband, who was running for re-election as mayor of Ynukers, New Yrk, Mrs. James T. Lennon died today. Mrs.Lennon prayed daily for her husband's election, and so great was her joy in his victory that her heart failed under the strain.

Mrs. Brooks was shot in the back and side.The double tragedy occurred in the kitchen of Mrs. Brooks' home. Charles W. Brooks, the husband of the murdered woman, believes the motive was jealousy. Until a short time ago, Mrs. Brooks, who was 28 years old, was a widow, and w... housekeeping for Miller. Four weeks ago she was married, and since that time Miller had not seen her.

THREE PRECINCTS OUT IN NORFOLK

Political Waters in City by The Sea Are Troubled.

A TALK OF CONTESTS.

Gorman May Win by Thirty-Four Votes—Judges Failed to Tabulate Returns.

Norfolk, Va., Nov. 7.—Three precincts, two of them returning majorities for Citizens' party candidates in Tuesday's election, have been thrown out. They are the Fourth, Twelfth, and Fifteenth. Failure of the judges to tabulate the returns and the use of only one poll book are the reasons alleged for throwing out the precincts.

The election commissioners have summoned the judges of the precincts eo appear befor ethem when the matter will be given a thorough hearing. If the action is sustained, Edward J. Gorman, defeated candidate for city collector, will be elected by a majority of 34, and W. S. Benstein, organization candidate for the legislature, defeated on the face of the returns, will win over W. P. Cousins.

The Citizens' party managers are still talking of contesting the election of James V. Trehy, who has a majority of 100 over R. W. Peatross for re-election as clerk of the Corporation court. The most conservative followers of the Citizens' party and the newspapers do not think the contest will materialize. The election just passed is considered by both sides to have been one of the fairest ever held in the city.

STAUNTON VOTE ON SALOONS.

Petitions For Local Option Election Being Circulated.

Staunton, Va., Nov. 7.—A meeting of citizens held Wednesday night decided to petition for a local option election to be held in December. It is said they were influenced largely by the fact that the liquor men combined with the "wet" Republicans under the leadership of United States Marshall R. A. Fulwiler and attempted unsuccessful to defeat the Democratic candidates Grasty and Taylor, for the House of delegates who are committed to State Wide Prohibition. The course has caused resentment among the "drys". It is expected that enough names will be secured to present the petition on Saturday. Staunton was "dry," and two years ago license was voted back. Petitions were put in circulation early this morning.

FINDS FIANCEE A DIVORCEE..

Father of Youth Consents to and Then Halts Wedding.

Lynchburg, Va., Nov. 7.—J. R. Keasler, of Memphis, Tenn., father of Irvin Keasler, who left Randolph-Macon Academy, Monday, coming here to wed Miss Mabel Fallow, who eloped from Memphis, reached here yesterday, and, after a conference with the son, reluctantly consented to the marriage

The trio repaired to the clerk's office to procure the necessary license and there it developed that the prospective bride is a divorcee and the mother of a child, the infant now being in custody of her sister in Memphis. The marriage was again halted and a telegram was sent to Memphis for legal evidences of the divorce of the young woman. Pending the arrival of this document the principals will remain here after which they will be married.

SKIPPED BOARD BILLS.

Jail Birds Alleged to Have Defrauded Fredericksburg Hotel.

The two men who were sent to jail for thirty days by Justice Caton in the Police Court yesterday for defrauding the Hotel Rammel out of a board bill left Fredericksburg without reckoning with their host. They put up at the Hotel Frederick while in that place, where they gave their names as Walter Keyser and William Cummings, of Chicago. After disposing of maps in Fredericksburg they took French leave.

The maximum penalty for defrauding a hotel or boarding house is three months in jail and a fine of fifty dollars. Occasionally victims of dishonest guests appear at the station house and prefer charges against delinquent boarders, most of whom, however, manage to leave the city before the police can intercept them. It would be well for such to know that they can be heavily fined and made to serve ninety days on the roads for cheating landladies or landlords.

ACCIDENT TO LITTLE BOY.

Collides With Wagon While Coasting At Rosemont.

Robert, the little son of Robert L. Payne, was painfully injured while at play at Rosemont yesterday. The little boy was coasting and came down an incline on his wagon into the road colliding with a passing milk wagon. His head was cut and he received other injuries.

STRANGLES IN DIZZY SPELL.

Girl Preparing to Attend Dance Victim of Odd Accident at Dish-Washing.

Sharon, Pa., Nov. 7.—Seized with a dizzy spell while washing dishes, Anna, 14-year-old daughter of Peter Bruce, wealthy resident of Hickory township, east of Farrell, fell and strangled to death when her head slipped through the loop of a harness repairing strap that was hanging on the wall.

Bruce is the proprietor of a dairy, and Mrs Bruce was in the barn overseeing the handling of the milk when the accident occurred. When she returned to the kitchen she discovered her daughter was dead.

Miss Bruce was preparing to attend a dance in Farrell and, to get the chores finished in time for an early start she told her mother to handle the milk and she would wash the dishes. The girl had been subject to sudden attacks of dizziness and frequently had fallen in a faint.

SETBACK TO ANNEXATION.

Richmond Board of Aldermen Reject Plan by Vote of 5 to 6.

Richmond, Va., Nov. 7.— The Board of Aldermen, with a quorum of eleven members in attendance, refused last night to concur in the annexation ordinance. The measure mustered six affirmative votes, while five members voted against it. Eight votes were required for passage, and on the face of City Clerk August's record the annexation ordinance stands defeated.

Before President Adams announced the result Alderman Powers secured permission to change his vote from aye to no, and served notice that he will at the meeting of the Board on Tuesday night ask for a ceconsideration of the vote by which the ordinance was defeated. Only eight votes are required for a reconsideration the measure will be brought up again next week and passed .

FACING GENERAL STRIKE TODAY

Armed Troops Ready to Place Indianapolis Under Martial Law.

TO QUELL RIOTING.

Labor Leaders Endeavoring to Bring About Sympathetic Strike—Arbitration Distant.

Indianapolis, Nov. 7.—The city of Indianapolis today faces a general strike of all the union men in the municipality in sympathy with the industrial war of the street car employes.

Arbitration seems to be impossible in the immediate future, while the declaration of martial law is expected at any time.

Two thousand militiamen, resting on their arms in the State house and in the armories, are ready for strike duty and martial law, should the latest move for arbitration of the car men's demand for higher wages fail. And fail it must, according to labor leaders, because they consider Traction President Robert Todd's terms the most remarkable ever submitted in a simliar strike.

All outside strike leaders, including J. J. Thorpe, of Pittsburgh, and other officers of the international union, must leave Indiana at once, and the local union be disbanded, the company proposes. Employes will be taken back on the old terms for thirty days at the end of which period the company will listen to each man's grievance, and, failing of an adjustment, the controversy shall be submitted to the State public service commission.

The strkers are to reply formally to this proposal today, and, while rejection is reported likely, a counter proposal may be made.

Central labor union officials in executive session this morning were considering insistent demands for a general strike in sympathy with the car men.

Governor Samuel M. Ralston is delaying ordering the troops out on strike duty, also his declaration of martial law, hoping that arbitration may finally be agreed upon. The company believes it holds the whip hand, now that troops are here. No attempt to operate cars was made early today. It has been six full days since a car wheel moved in this city.

TWENTY MILES IN AIR.

Weather Bureau Balloon Breaks All Records With Instrumnts.

Los Angeles, Cal., Nov. 7.—As a result of extensive experiments conducted with balloon-carried meteorological instruments on Catalina Island last summer, the Government Weather Bureau here announces all records for upper air research have bene broken The 20 balloons sent up, some of which reached height of 20.3 miles revealed that air strata governing the weather conditions is about three miles thick and that, after an elevation of 11 miles is reached temperature is nearly normal, tending alightly to warmer The lowest temperature recorded was 87 below zero at 15 miles, and 48 at 20 miles on several of the instruments. The relative humidity ranged beween 5 and 30 per cent., beginning at an elevation of seven miles.

The soundings made were unique. Twenty rubber balloons, each equipped with instruments were liberated and arose until they burst,the highest elevation recorded being 20.3 miles. Of the 20 balloons liberated 13 have been found.

REPUDIATES CONFESSION.

Barr Denies he Admitted Killing Miss Florence Brown.

Dallas, Tex., Nov. 7.—Meade Barr, the Indiana convict charged with the murder of Miss Florence Brown here, when permitted to talk to local newspaper men for the first time, denied he has at any time confessed to the killing. Barr's statement did not cause much surprise. It was not the first time he had repudiated a Florence Brown confession, and his story of the murder, as made public here several days ago, created a wdespread doubt as to its truthfulness. It is positively known, however, that he did confess before a Dallas grand jury.

MURPHY TO FIGHT FOR LEADERSHIP

Old Enemies Actively at Work to Depose Him As Head.

TWO DISTINCT PLANS.

Mitchell, Newly-Elected Mayor, Will Not Use His Office For Political Purposes.

New York, Nov. 7.—Charles F. Murphy has abandoned his policy of talking. He has told his personal friends that from now on he will "sit tight and watch the drift.' He is not going to take a vacation and he is thinking seriously of abandoning his quarters in Delmonico's and establishing himself in Tammany Hall.

Murphy does not intend to retire. He knows that Maurice Featherstone, James J. Martin, John C. Sheehan, and others of his old enemies are at work in an effort to drive him from the leadership, and he is planning to meet this opposition.

He holds that Thomas F. Foley, of the Second District, and Thomas McAvoy, of the Twenty-third, with the aid of John McCooey, of Brooklyn, were responsible for McCall's nomination, and they named Abram I Elkus, for Associate Judge of the Court Appeals and other candidates, who went down to defeat.

Meanwhile two distinct plans are under discussion to force Murphy's retirement. The first plan came from within Tammany Hall, and was fostered by younger men in the organization. It contemplates the elimination of not only Murphy,but of the district leaders who have supported him and his policies. The other plan is for the establishment of a rival Democratic organization in every assembly district in the city. One of the leading independents who favors the scheme declared today that with the Federal patronage to be distributed by Dudley Field Malone, who he expects to be appointed collector of the port of New York,and the power executed by Mayor-elect Mitchell at City Hall, Tammany will simply be wiped off the political map.

Meanwhile there is a definite movement on foot to depose John H. McCooey, as leader in Brooklyn. Michael E. Butler, leader of the Tenth District, is mentioned as McCooey's successor.

During the night a mob surrounded the jail and threatened to break the doors. Citizens who pacified the mob notified the governor that the mob spirit was growing stronger and that they could not stop the mob again.

SCHOOL TRUSTEES MEET

Report of Superintendent Shows Increase in Number of White and Colored Pupils

P. M. Bradshaw presided at the meeting last night of the City School Board in the absence of Dr. W. M. Smith, chairman. There were present Messrs. Carter, Howard, Ervin, Cox, Kirk, Pierce, Nicklin, Thompson, and City Superintendent Sweeny.

A copy of the report of the superintendent for the school year of 1912-'13 had been placed upon the desk of each member.

Mr. Sweeney's report for the month of October showed the schools to be in a prosperous condition. The pupils in the schools now are as follows; Washington School, 626; Lee School, 872; Snowden School, 231; Hallowell School, 306.

The superintendent said this was the largest number received in the schools during the time he has held the position. He spoke also of the present congested condition in some of the schools and the growing need of greater accommidations. The superintendent further stated that during he week over a dozen new scholars had been admitted.

In reply to an interrogation the superintendent said a change of books would probably be ordered by the State oBard of Education next year.

A communication, signed by most of the teachers, was read in which the petitioners made certain suggestions as to the pay of substitute teachers, the plan adopted by the board not meeting with the approbation of the signers.

Section 7 of the by-laws provides that substitute teachers whenever employed shall be paid at the rate of $40 per month for services. Said pay shall be deducted from the salary of the regular teacher. In case any teacher shall not have been granted a leave of absence and a substitute teacher has been employed, the teacher who has been absent shall pay the substitute at the rate of $40 per month for the time the substitute was employed.

On motion the communication was laid on the table.

The board subsequently adjourned.

The rest of the afternoon was devoted to the Junior Auxiliary.

Mrs. Barton, of Winchester, Va., president of the Junior Branch, read her report of the work of the Juniors of the State during the past year, which was very encouraging.

The Woman's Auxiliary to Missions met at Trinity Church.

Miss Sallie Stuart, of Alexandria, then read her report for the year, showing the work done by the Woman's Auxiliary, both foreign and domestic missions. The money given for Miss Stuart's expenses to the General Convention was not used for that purpose, but she divided it by giving $35 to Dr. Teusler's Hospital in Japan, $10 each to the Domestic and Diocesan Mission.

The following State officers were elected: Miss Sallie Stuart, of Alexandria, president; Miss Lou Davis, of Petersburg, vice-president; Mrs. G. S. French, Alexandria, secretary.

PROTRACTED MEEINGS.

Large Congregations Attend Services in Progress in Methodist and Baptist Churches.

The revival services in progress in the M. E. Church South are proving more interesting nightly. Rev. Henry Wolf, of Brightwood, preached last night. Rev. E. V. Regester, a former pastor of the church, will occupy the pulpit tonight.

Similar interest is being manifested in the First Baptist Church, where Rev. Benjamin Donald Gaw, of Washington, is assisting Rev. Dr. W. F. Watson.

The revival services which began recently in Trinity M. E. Church closed on Wednesday night. Several persons were converted at these meetings.

As has been stated, protracted meetings will be commenced in the Second Presbyterian Church on the 16th instant.

NEWS OF THE OLD DOMINION

STATE HOMICIDE RATE.

oard of Health Gives Reasons For The Large Number of Murders.

Richmond, Va., Nov. 7.—With the nsent of Governor Mann, to whom s been delivered the report of the ate Board of Health, officers of e board yesterday issued a statement regarding the high homicide te in the Commonwealth as shown the vital statistics compiled under the new law.

"Our report," says the bulletin of e board, "was forwarded direct to e governor and we do not feel at perty to discuss its contents without s permission. But at the number homicides reported from our vital atistics has aroused comment, the overnor has consented to a statement of the reasons for this high te.

A study of the distribution of the 45 homicides in the State shows that 9 of the 100 counties of the state no urders occurred during the year. hese counties were scattered almost niformly over the State from Tazewell, Bland, Giles, Wythe, Carroll and rayson in the southwest, to Princess Anne Isle of Wight, James City, athews, and Northumberland, Richond, Essex and King and Queen in e East, and from Loudoun, Clarke, Warren, Shenandoah, Rappahannock, nd Culpeper in the north, to Brunsick and Mecklenburg in the south.

"In sixty-one other counties of the tate there were only one or two omicides for each county, leaving ut 22 counties in the State in which e number of homicides during the ar was three or over.

"This makes it plain that many of ur homicides occur in the cities here are crowded the worst elements f the colored population. Two cities eported an aggregate of 48 homiides, or almost 20 per cent of the tal number reported for the state.

"The board of trusts that interestd persons will not draw hasty conlusions from the crude homicide ate as given in the extracts printed rom the annual report, but will await he full figures as shown in our detailed tables. The latter will demonstrate that our high homicide rate is ot due to excessive lawlessness mong all classes, but can be traced o congestion or to specific local conitions that will be readily understood pon analysis."

WINCHESTER HAS NO MAYOR.

No One Seems Willing to Serve the Virginia City.

Winchester, Va., Nov. 7 - The office f mayor has gone begging in Winhester. No one seems to care to ave the honor thrust upon him. Last pring the Democrats nominated E. J. Evans to succeed Mayor H. H. Baker, ut Mr. Evans was defeated by Chas. W. Ramsburg, who came out as an independent. The office interferred with his business interests and Mr. Ramsburg resigned effective November 5th.

The council met Wednesday night and was unable to elect any one. Former Mayor Baker and Randolph Tucker McGuire were nominated, but the vote was a tie. Until some one s willing to undertake the job, William H. Baker, the milionaire chocolate manufacturer, who is president of the Council will be compelled to act.

SUPERINTENDENT FINED.

Pennsylvanian is Penalized for Soliciting Weavers of Virginia Silk Mills.

Richmond, Nov. 7.—John Bernhardt, superintendent of the Bethlehem Ribbon Mills, of Bethlehem, Pa., was fined $100 and costs by Justice H A .Maurice, in Police Court, Part 2, yesterday morning for engaging in the business of a labor agent without a license.

Bernhardt was arrested Wednesday night by Captain A. S. Wright and Policeman Mike Moore while at a hotel on the north side of the river. It was testified by Mr. Moore in court that Bernhardt was in company with about six of the weavers of the Virginia Silk Mills, whom, it was charged by the policeman, Bernhardt was trying to induce to accompany him to Bethlehem, Pa., to work in the mills of which he is superintendent. It was alleged that the men were promised more pay and better hours.

Good silk weavers, it is understood, are hard to secure and command a high wage. It is said that sometime ago about fifteen of the weavers of the Virginia Silk Mills were induced through some agency to leave the Virginia concern and take employment in a Pennsylvania mill. It was testified by the Virginia silk concern in court this morning that it pays its men just as high and gives them just as good hours as they can get anywhere in the country. It was in testimony that Bernhardt had offered to pay the board bills of some of the men in order to induce them to leave here. Bernhardt noted an appeal through his attorney, Ordway Puller.

COLD IN VIRGINIA.

Wytheville Coldest Place in the United States.

Wytheville, Virginia, was the coldest spot in the United States Wednesday night, the minimum temperature there being 24 degrees, which was lower than at any other point in this country.

There were one or two places in the West where it generally is extremely cold at this season where the mercury went down to 26 degrees, but none got down so low as Wytheville.

Lynchburg was a close second, the temperature there declining to 26 degrees.

FOR LOCAL OPTION ELECTION.

Clifton Forge, Va., Nov. 7.—Petitions are being circulated here asking the judge of the City Circuit Court to order a local option election at an early date. As the vote Tuesday exceeded 600, it will require 150 names of voters on the petition before the court can grant the prayer of the petitioners.

More than six years ago saloons were voted out of Clifton Forge by 80 majority. Three years ago another local optio nelection was held and the majority against saloons was 184. Some claim that the city will vote for saloons in view of the operation of clubs in which liquors are dispensed.

STATE OFFICERS.

Attorney General Rule They Are Free of Liability for Income Tax.

Richmond, Nov. 7.—Officials of the State and all employes thereof are exempt from the payment of the Federal income tax, so far as the payment of such tax on salaries received from the State is concerned.

Such was the ruling yesterday of Attorney General Williams, who was asked regarding the matter by General E. W. Nichols, of the Virginia Military Institute, for the benefit of the corps of professors there and elsewhere in State institutions.

Judge Williams got a copy of the law and studied with care before answering, and he finds in clause B, section 2, the grounds for his opinion, which clause contains the following language, under "exemptions."

"The compensation of all officers and employes of any State, or any political subdivision thereof, except when such compensation is paid by the United States Government."

MISSION SOCIETIES MERGE.

Virginia Methodist Women Put Work Under One Organization.

Petersburg, Va., Nov. 7.—The most important matter which claimed the attention of the Woman's Foreign Missionary Society of the Virginia Conference at its session yesterday was the reception of the report of the special committee appointed to consider the feasibility of merging the Woman's Foreign Missionary Society and Women's Missionary Society of Virginia Conference into one organization. The committee recommended the consolidation of the two societies and the recommendation was adopted by the society.

The following officers were elected: President, Mrs. Lee Britt, Suffolk first vice-president, Mrs. J. H. Lewis, Farmville; second vice-president, Mrs. R. M. White, South Richmond; third vice-president, Mrs. W. J. Maybee, Richmond; treasurer of the foreign department, Mrs. A. W. Nowlin, Lynchburg; treasurer of the home deparmen, Mrs. J. W. West, Lynchburg; corresponding secretary of the home department, Mrs. B. E. Wall, Farmville; corresponding secretary of the foreign department, Mrs. H. H. Brickhouse, Norfolk; recording secretaries, Mrs. W. D. Southall, of Norfolk, and Mrs. Minitree Folkes, of Richmond; press superintendent, Mrs. J. D. Murrell, of Richmond; publicity superintendent, Mrs. Alvan H. Martin, Norfolk; superintendent of supplies; Mrs. C. W. Hudgins, Portsmouth; field secretary, Mrs. H. T. Riceson, Richmond; superintendent of literature, Mrs. F. S. Haidelbach, Danville.

The first meeting of the united bodies will be held in Lynchburg in May. Reports from the different departments of the several districts were adopted.

Ex-President William H. Taft holds securities valued at fully $15,000, according to lists filed with the State Treasurer at New Haven, Conn., in resonse to the demand that the state government, municipal and miscellaneous bonds, subject to a state tax and therefore exempt from local taxation, be registered.

ADVANCED STEP BY DISTRICT COURT.

New rules which will greatly simplify the procedure in the branches of the Supreme Court of the District of Columbia will be of great interest to the public as they will permit a more expeditious disposal of cases and the abolishment of much technical detail.

Divorce cases and annulment of marriage will be heard in open court, under new rules, and the parties, as well as witnesses, to the proceedings, will be examined in public. Only in exceptional cases will the court direct that a master in chancery or an examiner hear the evidence.

One of the new rules refers to reports of trustees, receivers and other fiduciaries. Hereafter, on the first of each year, all persons occupying positions of trust under the court's appointment must file reports or accounts of all assets held by them in their fiduciary capacity. They must state the places where any trust moneys are deposited, in what name, the nature and particulars of all securities and every other information concerning them.

These accounts are to be referred to the auditor of the court, who will see that the trustee actually has in his possession the securities claimed and that the credits or deposits correspond with the statements made by the court appointee. The rule directs that the report is to be examined and verified by the auditor.

Expedition in the conduct of cases and the abolition of technical forms and pleadings are prescribed in the new rules. Under the rules the court must disregard any error or defect in the proceedings which does not affect the substantial rights of a party, and it is ordered that the allegations of a pleading shall be liberally construed. The rules further provide "that unless otherwise prescribed the technical forms of pleadings in equity are abolished."

To shorten litigation the new rules abolish demurrers and pleas and direct that hereafter every defense in point of law arising upon the face of the bill shall be made by motion to dismiss. Simplicity must mark the answers filed to complaints, and the rules direct that the defendant in his answer shall, in short and simple terms, set out his defense to each claim asserted by the bill, omitting any mere statement of evidence and avoiding any general denial of the averments of the bill, but specifically admitting or denying or explaining the facts upon which the plaintiff relies, unless the defendant is without knowledge, in which case he shall so state, such statement operating as a denial.

The new rules also aim to hasten the trial of cases and to prevent cases from being postponed after they are ready for hearing. Continuances, except in rare cases, are frowned on by the new regulations.

PUNISHMENT FOR CAR ROBBERS.

The Carlin bill introduced by Hon. Charles C. Carlin, of this city, and recently passed by Congress making the robbery of freight cars, baggage cars, and express cars engaged in interstate commerce and the robbery of interstate shipments from platforms and stations a federal offense, is a law with teeth in it and sharp ones at that as was evidenced in Federal court in Birmingham when John L. Parker was given a sentence of six years in the United States prison for robbing a shipment of shoes consigned to Glazen, Miss., from a car in the Birmingham yards on May 4th. Parker was also implicated in robbing a shipment of notions consigned to Avondale, Ala., from a car in the Birmingham yards on the night of July 30th and Otis Williams and Arthur Goodeye who assisted him were given sentences of four years and six months and three years and six months respectively in the United States prison.

Under the Carlin law, the prosecution of car and depot thieves is greatly simplified and the certainty of conviction is much greater as the federal statutes do not provide the loopholes found in various state laws through which many criminals whose guilt was clearly proved have been enabled to escape on technicalities. As the result of the operation of this law, it is believed that criminals will recognize the danger of tampering with freight cars and depots and that there will be a great decrease in thefts of this character which frequently cause serious inconvenience and loss to shippers as well as to the railroads. So far the stringent provisions of the law however has had little effect in Alexandria as there have been two car robberies without any punishment. There is an old adage that you must first catch a thief before you can punish him.

WOMEN VOTE TOWNS DRY.

Success Encourages Extensive Local Option Move in Illinois.

Chicago, Nov. 7.—As a result of the showing made at the elections Tuesday, when the votes of recently enfranchised women are said to have placed 18 out of 24 municipalities voting in the "dry" column, 300 cities and villages of Illinois will hold local option elections next spring. This was the statement of F. Scott McBride, State superintendent of the Anti-Saloon League.

"Under normal conditions," said McBride, "as the vote of Tuesday shows, the women will be three to one on the side of the 'drys.' Organized properly, the proportion should be four to one."

Chicago may be one of the cities to face the "wet" and "dry" in the spring, according to report, although it is the understanding that the Anti-Saloon League does not favor a vote in Chicago so soon.

The Liberals are said to be considering the advisability of bringing suit to test the constitutionality of suffrage law, in order to prevent the women from voting at the proposed local option elections in April.

Accident to a Fireman.

Washington, Nov. 7.—Hoseman George M Pickrell, of No. 9, Engine Company, was seriously hurt in a thirty-foot fall from a ladder while at work on a fire in the three-story loft building fire in the rear of 1321 Twelftth street northwest, shortly before 9 o'clock this morning. E. C. Waters and T. Davis, two other members of No. 9. Company, who were helping Pickrell with a hose line, narrowly escaped injury.

Surgeons at the Homeopathic Hospital, where the injured fireman was taken, say that his condition is critical. He has a fracture of one leg and other injuries, the extent of which cannot be immediately determined.

Owes Her Life to This Lung Medicine

The manufacturers of Eckman's Alterative, a medicine for Throat and Lung affections, regret that all sufferers of these serious troubles do not take the trouble to investigate for themselves what this medicine has accomplished during the past fifteen years in a number of cases. Read this:

Griffith, Lake Co., Ind.

"Gentlemen: About September 10, 1908, my mother-in-law was taken sick with Catarrhal Pneumonia, which developed into Lung Trouble. In January, when Rev. Wm. Berg, of St. Michael's Church at Schererville, Ind., prepared her for death, he recommended that I get Eckman's Alterative, and see if it would not give her some relief. The attending physician declared she had Lung Trouble and was beyond all medical aid. So I immediately had Rev. Wm. Berg to send for a bottle. Practically without hope for recovery, I insisted that she try the Alterative, which she did. I am glad to say that she soon began to improve. Now, she works as hard as ever, weighs twenty pounds heavier than she ever did before she took sick, and is in good health."

(Affidavit) JOS. GRIMMER.

(Above abbreviated, more on request.)

Eckman's Alterative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stubborn Colds and in rebuilding the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists.

WILSON WIRES MITCHELL.

Congratulates Him on Result—Also Gratified Over Result in New Jersey.

Washington, Nov. 7.—The first outward expression of President Wilson's satisfaction over John Purroy Mitchel's defeat of Tammany Hall was given yesterday when the White House made public the text of a brief but cordial telegram sent by the President to the Mayor-elect of New York. The telegram follows:

I congratulate you with all my heart. WOODROW WILSON.

He is understood to be sincerely gratified over Tammany's defeat, but is believed to hold the view that it is not necessary to emphasize that fact by any public expression.

President Wilson and Secretary McAdoo have already taken up the matter of selecting a successor to Mr. Mitchel as Collector of the Port of New York. It is understood their conference made it almost certain that Dudley Field Malone, now Third Assistant Secretary of State, will be appointed unless his father-in-law, Senator James A. O'Gorman, of New York, registers serious objections.

NEGROES HEAR MILITANTS.

Chicago Kept Mrs. Pankhurst Busy—Hopes She Won't be Arrested.

Chicago, Ill., Nov. 7.—Mrs. Pankhurst was busy yesterday, the finish of which was a speech to some 2,000 negro women and men at the Institutional Church in the black belt on South Dearborn street. She pictured the good they could accomplish for their race by working for the reforms their white sisters advocated.

She attended a luncheon at the Hotel La Salle as the guest of the Human Rights party and made a short address. In the afternoon she was the guest at a reception given by the members of the Woman's party of Cook county. She will leave in the morning for St. Paul and will sail for England November 26th on the Majestic.

Of the possibility of the British government ordering her arrest while aboard ship, Mrs. Pankhurst said:

"I hope they will not order my arrest. When I arrive in England I do not wish to be confined in jail, but I do want to throw myself into the fight."
